Re: Schubert v. OSRAM GmbH et al.
(C.A. No. 12-cv-923-GMS)
Schubert v. Koninklijke Philips Electronics NV et al.
(C.A. No. 12-cv-924-GMS)

Dear Judge Sleet:

The parties respectfully submit this status report pursuant to Your Honor's July 17, 2015 Oral Order (D.I. 80 (12-cv-923); D.I. 55 (12-cv-924)) with respect to the *inter partes* review proceeding pending before the U.S. Patent & Trademark Office ("PTO") involving the patent-in-suit, U.S. Patent No. 6,294,475 ("the '475 patent").

The PTO issued a final decision upholding the challenged claims of the '475 patent. OSRAM has appealed this decision of the Patent Trial & Appeal Board to the Court of Appeals for the Federal Circuit. Briefing is to take place during the coming months. Pursuant to the joint stipulated order providing for a stay pending *inter partes* review ((D.I. 77 (12-cv-923); D.I. 53 (12-cv-924))), both cases remain stayed pending a final non-appealable decision by the PTO or the Federal Circuit, whichever is later.

We are available at the Court's convenience should Your Honor have any questions.

Respectfully submitted,

/s/ Brian E. Farnan

Brian E. Farnan
